What is High School Speakers' Tournament?

Congratulations! You have made a great choice to work with students in writing and delivering a speech that impacts those who hear.

The purpose of **Speakers' Tournament** is to encourage the participants to learn to articulate their faith by writing a speech based on a topic chose from a list of topics. **Speakers' Tournament** is for high school students in grades ten through twelve (10-12); no prior Bible Drill experience is necessary. Participants will write a 4 – 6 minute original speech based on one of the topics provided each year. These topics can be found online at www.texasbaptists.org/bibledrill.

Writing and delivering speeches provides an amazing opportunity for spiritual introspection and growth, as well as becoming more confident in sharing personal faith stories. Our hope and prayer is that through this unique and *distinctly Baptist program*, teenagers will apply what they learn from this experience to develop a life-long passion for sharing their faith with others.

Speakers' Tournament is also a scholarship opportunity. Currently four of our Texas Baptist Universities offer scholarships for participants. Please refer to the **Texas Baptist University Scholarship Information** page for more information.

Speakers' Tournament includes a partnership with **Texas Baptists**. There is a **Bible Drill/Speakers' Tournament Coordinating Council**, which is made up of Bible Drill and Speakers' Tournament leaders from all across our state. This group of dedicated leaders is available to help your church if you are considering participation in the **Speakers' Tournament** program.

Please contact the **Coordinating Council** by emailing bibledrill@texasbaptists.org or by calling **214-828-5287**. There is also a lot of helpful information at www.texasbaptists.org/bibledrill.

Dr. Diane Lane is the Preschool and Children's Specialist on the Great Commission Team for Texas Baptists and she oversees all things Speakers' Tournament.

Texas Baptists Eligibility Guidelines

Children's Bible Drill, Youth and High School Bible Drill, and High School Speakers' Tournament

- **Children's Bible Drill** participants must be in the fourth – sixth (4-6) grades.

☪ *We understand that some **6th graders** are in middle school (junior high) and may be in the youth/student ministry at their church. However, sixth graders can only compete in **Children's Bible Drill** at Texas Baptists events.*

- **Youth Bible Drill** participants must be in seventh – ninth (7-9) grades.
- **High School Bible Drill** participants must be in tenth – twelfth (10-12) grades.
- **High School Speakers' Tournament** participants must be in tenth – twelfth (10-12) grades.

There are four options for participation in Texas Baptists Bible Drill and Speakers' Tournaments

1. **Participants who are members of Texas Baptist Churches** are eligible to participate in all competitions and receive appropriate recognition. The Youth and High School State Bible Drill Winners and State Youth Speaker Winner are eligible to represent Texas Baptists at the National Invitational Tournament.
2. **Participants who are members of Baptist churches that are dually aligned** with Texas Baptists and another convention may participate in all Texas Baptists competitions and receive appropriate recognition. The Youth and High School State Bible Drill Winners and State Youth Speaker Winner are eligible to represent Texas Baptists at the National Invitational Tournament (NIT). ***Each church must choose to either compete with Texas Baptists or with another convention.***
3. **Participants who are members of churches not aligned with Texas Baptists** may choose to participate in Texas Baptists competitions under the sponsorship of a cooperative giving Texas Baptists church. However, if they earn the right to advance to the state finals, they *will not be eligible* to represent the Texas Baptists at the National Invitational Tournament.
4. **Participants from a private or Christian school or Homeschool Association** are welcome to participate in Texas Baptists Bible Drill and Speakers' Tournament competitions in one of these two ways.

- a. The School or Association may participate under the sponsorship of a cooperative giving Texas Baptists church. Children may participate at all levels of competition and will be eligible for appropriate recognition. The Youth and High School students may participate in all levels of competition, but *will not be eligible* to represent Texas Baptists at the National Invitational Tournament.
- b. The School or Association may participate on their own, but will be required to pay a \$500 fee. Children may participate in all levels of competition and will be eligible for appropriate recognition. The Youth and High School students may participate in all levels of competition, but *will not be eligible* to represent Texas Baptists at the National Invitational Tournament.

National Invitational Tournament (NIT)

Youth Bible Drill, High School Bible Drill and High School Speakers' Tournament winners at the **State level** become eligible to compete at the **National level**. *Texas Baptists will provide a stipend to help with travel expenses for our three winners.*

State Winners/NIT participants may compete again in the same age group event. If they advance to State in that same age group, **they will not be eligible for bonus points at the next year's State event** (*they may receive bonus points at church, associational, and regional events*).

No participant may compete more than once in the same age group event at the National Invitational Tournament. Previous State Winners will be required to note this when they register for the State event.

Once a participant moves from **Youth to High School Bible Drill**, they are once again eligible for bonus points (*unless they win State at that level too*).

Special Needs Participants –We want every child and teenager to be able to participate fully and receive the benefits of this wonderful program. *Accommodations can be made for special needs participants in Bible Drill and Speakers' Tournament.* Please contact your Associational Bible Drill Coordinator and Dr. Diane Lane *well in advance* of the competitions to discuss the best ways to help your participant with special needs be successful.

☉Please note that eligibility for High School Bible Drill and Speakers' Tournament scholarships from participating Texas Baptist Universities is subject to the guidelines of each university.

Associational Bible Drill and Speakers' Tournament Leadership

Thank you for your partnership with Texas Baptists in making disciples through Bible Drill and Speakers' Tournament! As children and teens learn to internalize and express the truth of God's Word through this *distinctly Baptist* program, it is our hope and prayer they establish a lifelong pattern of turning to God and His Word for every challenge.

Each association or network of churches is responsible for planning and implementing their **Associational Bible Drill and Speakers' Tournament**. If possible, enlist a **Bible Drill and Speakers' Tournament Coordinator**. It would be ideal if this person has experience with leading these programs or serving as a Caller or Judge in the past.

It would also be helpful to enlist a church early to host the **Associational Bible Drill and Speakers' Tournament**. All of the space requirements and needed supplies can be found in the **How to Conduct...** pages.

Communicate with the churches in your Association or Network about the date for your **Associational Bible Drill and Speakers' Tournament**. You will find the suggested date for your competition on the Texas Baptists website. The Associational event must take place before the online three-day registration period for **Texas Baptists Children's State Bible Drill, Youth Regional Bible Drill, High School Regional Bible Drill, and High School Regional Speakers' Tournament** events.

The materials available at www.texasbaptists.org/bibledrill are valuable tools for planning and conducting an **Associational Bible Drill and Speakers' Tournament**. Everything you need to know is included on the website. Read through the information on the website carefully. You can print score and tally sheets to use in your drills. If you need help or have questions, please contact the **Coordinating Team**.

The **Associational Sample Bible Drills** (*Children, Youth, and High School*) must be requested at bibledrill@texasbaptists.org or sarah.johnson@texasbaptists.org.

📌 Helpful Tip!

The Association might want to print certificates for your participants!

A: After your Associational event, **Texas Baptists online registration** will open for **Children's State Bible Drill, Youth Regional Bible Drill, High School Regional Bible Drill, and High School Regional Speakers' Tournament**. Check the Bible Drill calendar at www.texasbaptists.org/bibledrill before March to find the dates for online registration.

Registration is only open for three days, so please make sure you have those dates correct! Registration is first come, first served, so make sure that you know when your group has decided to drill or speak (*on Friday evening or Saturday morning*) and what time(s) would work best for your group.

Q: *What if our local Association does not provide an Associational Drill and Speakers' Tournament?*

A: First, find out if another association near you offers a Bible Drill and Speakers' Tournament. Many times, associations will welcome non-member churches to participate in their events.

*A qualifying score **is required** to participate in one of the Texas Baptist Regional and State events.* If there is no associational drill or tournament available, churches can offer another event or the participant's church drill scores must qualify them for the Texas Baptist events (scores must be high enough at the church drill to meet the associational criteria).

If there is an associational drill, participants must compete and qualify at the associational level to qualify for a Texas Baptists State and Regional event.

Q: *How do youth and high schoolers qualify for the Texas Baptists State event?*

A: The top ten participants at each of the three Regional events from **Youth Bible Drill, High School Bible Drill, and High School Speakers' Tournament** (*with a minimum score of 75*) qualify for the **Texas Baptists State** event.

If a qualifier is a previous State first place winner (*in the same division*), an eleventh participant will also qualify from that Regional event. In the event of a tie for tenth place, both participants will advance.

Check the calendar at www.texasbaptists.org/bibledrill for the date and location of the State event.

Q: *Can a participant who previously won State compete again in the same age group event?*

A: **Yes, however they will not be eligible for bonus points at the State Bible Drill event, if they advance to that level again *in the same age group*.** They may receive bonus points at the church, associational, and regional levels. Once a participant moves from **Youth to High School Bible Drill**, they are once again eligible for bonus points at State. **No participant may compete more than once in the same age group at the National Invitational Tournament (NIT).**

☉ ***Previous State winners are required to note this when they register for the State event.***

☪ Helpful tip!

Think beyond Sundays and Wednesdays, if needed. You can offer Bible Drill any day of the week! Try to work out a time where you can have the highest level of participation.

- Begin recruiting leaders to work in Bible Drill and/or Speakers' Tournament. Look for people that are passionate about God's Word, as well as teaching children and/or teenagers.

☪ **Helpful tip!**

Many churches begin with **Children's Bible Drill**, and advance the children to the **Youth** and **High School** levels. This is not required, however. Churches can begin with youth and high school as well.

- Create your church calendar for the year, which should include all of the important dates in the Spring: your Church event, Associational event (*contact your Associational office for this information*), Children's State event, Youth and High School Regional event, and Youth and High School State event.
 - a. **The current calendar for Texas Baptists Regional and State events can be found online at www.texasbaptists.org/bibledrill.** Use this calendar as your starting point.
 - *Churches use different schedules for their Bible Drill programs. Most churches run their programs from September – May, but there are some churches that start in January. Bible Drill is flexible!*
 - Participants in the Speakers' Tournament do not necessarily need regularly scheduled meeting times, but would benefit from someone checking in with them and monitoring their progress.

☪ **Helpful Tip!**

You might also want to plan a special event (*such as a retreat, lock-in, fun night*) for your participants *before* your church event where you can offer some concentrated practice and a practice drill.

- Host an organizational and orientation meeting for leaders and parents to explain the program and give calendar information. *Make this meeting exciting and motivating as you begin the year!*
- Advertise your Bible Drill and/or Speakers' Tournament program throughout your church publications. Make sure and include your weekly meeting times and when your program begins and ends for the year.
 - a. You might want to *mail a letter* to parents of children (grades 4-6), youth (grades 7-9), and high schoolers (grades 10-12) explaining **Bible Drill** and **Speakers' Tournament** and inviting and encouraging them to participate.
- Order the Bible Drill Bibles that best fit with your church and budget. *Make sure that you order enough Bibles for each Bible Drill participant to have at least one to use.*

- a. Texas Baptists offer the choice between three versions of the Bible – *King James*, *New International Version (2011)*, and the *Christian Standard Bible*. **See the *Bible Translations and Purchasing* page so that you order the correct Bibles.**
 - b. **Churches are responsible to bring a Bible for each participant to Associational, Regional, and State events.**
- **Bible Drill and Speakers’ Tournament** runs on three-year repeating cycles. The three cycles are *Red*, *Blue*, and *Green*. All of the information about the three cycles can be found online at www.texasbaptists.org/bibledrill.
 - a. Print off the correct/current cycle verse cards and speakers’ topics from the website and distribute those to your participants. *Make sure that you print off the correct Bible translation verse cards* (should match the Bibles you purchased).
- Plan a special kick-off event for your Bible Drill and/or Speakers’ Tournament at the beginning of the year.
 - **Helpful tip!**
 Many groups create a special t-shirt to wear at the competition events. While this is not a necessity, it does make the groups stand out and encourages your team!
- **For more information about Children’s Bible Drill, Youth Bible Drill, High School Bible Drill, and High School Speakers’ Tournament specifically, please refer to the online information – specifically the individual Basics sections.**

How to Conduct a High School Speakers' Tournament

For Church, Associational, Regional, and State Bible Drills

- Make sure that you have your event scheduled ahead of time on your church and/or associational calendars.
- Enlist people to fill these important roles. Please see **Speakers Tournament Job Descriptions** for a detailed description of these assignments. You can find these at www.texasbaptists.org/bible Drill.
 - a. Conductor – 1
 - Regular Judges – 3. Judges who have knowledge and experience in speech, drama or English at the high school or college level are helpful. A pastor or minister of education is also recommended to help judge the theological content of the speech.
 - b. Tally Room Coordinator – at least 1 (*depending on the number of speakers*)
 - c. Tally Room Assistant – 1
 - d. Ready Room Coordinator – 1
 - e. Registration Coordinator – 1 (*Only needed for Associational, Regional, or State events*)
 - f. Registration Assistant – 1 (*Only needed for Associational, Regional, or State events*)

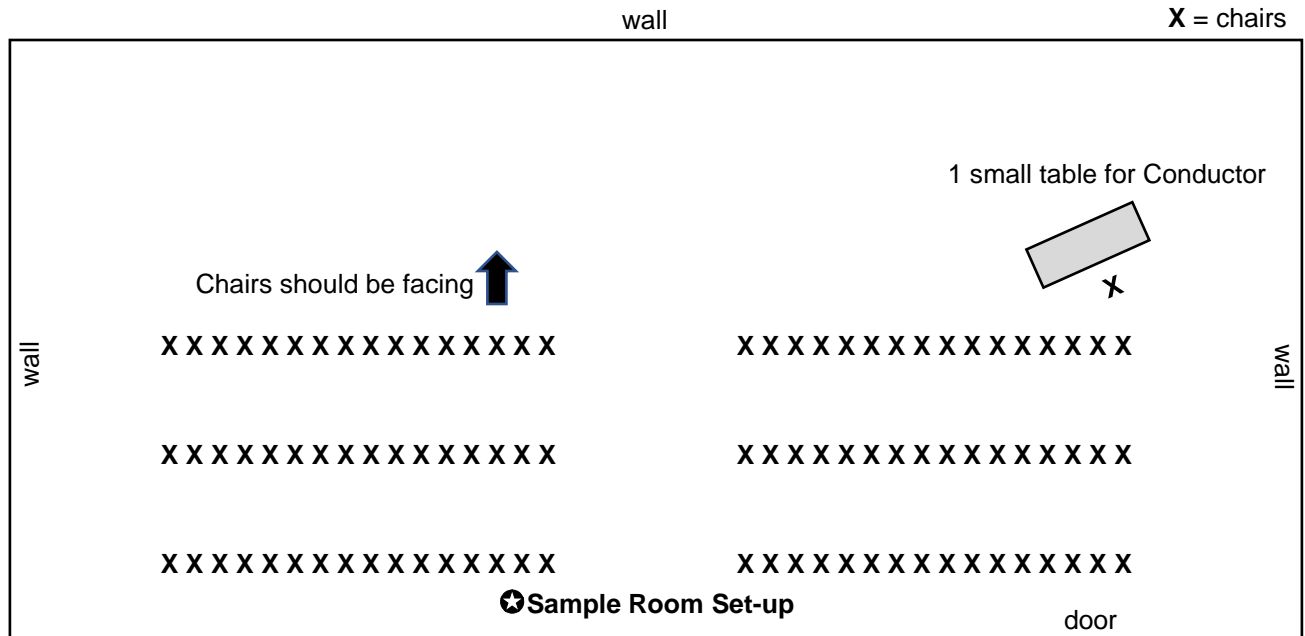

☺ Helpful tip!

Enlist your leaders far enough in advance that you have an opportunity to share their job description with them and answer their questions. You might want to offer a training session to make sure that everyone understands their role.

- **Resources needed to conduct a Speakers Tournament event:**
 - a. **Large Room** – Choose a room conducive for speaking. Make sure that you have room for the speakers to deliver their speech comfortably. Choose a room where the speakers can move around freely and the judges can see them well. Choose a room without a lot of distractions and preferably without the participants facing windows. Also, allow plenty of room for the **Judges to spread out in the room** and to allow seating for families and friends who would like to watch. **See a sample room set-up at the end of this section.**
 - b. **Other Rooms** – You will also need a **Ready Room** (*where participants prepare to speak*) and a **Tally Room** (*where final scores are tabulated*).
